

COLLIERS INTERNATIONAL

International Properties

Colliers International offers a wide selection of investment grade residential properties for sale from all over the world. Delivering prime grade investment product to the Asian investment market, Colliers International has a focus on the Australian, London, Canadian, New Zealand and American markets.

Whether moving or investing, our International Properties Division is committed to providing its purchasers with the best possible international developments and service by acting as a single point of contact. We assist purchasers with all the aspects of the purchasing process including management, lettings and financing.

Working closely with an extensive range of leading international developers, we deliver exclusive tailor-made disposal packages to each developer. Our team can provide access to a large number of high net worth clients from across Asia through our internal capabilities and network of distribution channels.
