Hot Springs restaurant Diablos Tacos & Mezcal has signed a lease to expand to downtown Little Rock.

The Mexican-style restaurant will soon occupy space at 300 President Clinton Ave. in the River Market District.

Lee Strother of Colliers International in Little Rock represented the landlord in the transaction. The 5,500-square-foot restaurant space is at the intersection of LaHarpe Boulevard and President Clinton Avenue. It was previously home to Rumba Revolution.

“This is a perfect opportunity for Diablos to enter the Little Rock market and a perfect fit for downtown,” Strother said. “300 President Clinton Ave. is the cornerstone of the River Market Entertainment District and Diablos will be an ideal food and beverage offering for downtown workers, residents and visitors.”
