

GET BACK TO THE OFFICE SAFELY
WITH COLLIERS BACK-TO-WORK NAVIGATOR

IS YOUR OFFICE READY TO RE-OPEN? GET OUR EXPERTS' ADVICE IN JUST 48 HOURS.

WHAT IS BACK-TO-WORK NAVIGATOR?

Back-to-Work Navigator enables our experts to complete a virtual walk-through of your space and, within 48 hours, deliver a comprehensive set of recommendations in five key areas:

- design,
- technology,
- navigation and communication
- behaviors, and
- hygiene and cleaning.

We include an order-of-magnitude timeline and cost summaries to support our findings. Recommendations are based on our global experience, best practices across many disciplines and guidance from the World Health Organization and U.S. Centers for Disease Control and Prevention.

WHY IS THIS IMPORTANT?

Back-to-Work Navigator alleviates pressure on your in-house resources and provides expert advice to reassure employees and other key stakeholders that you are prioritizing a safe return to the office.

WHO IS THIS SUITED FOR?

Any office space occupier.

WHAT IS THE PROCESS?

Your representative or someone from our local team will host a virtual video tour (most likely using a smartphone) during which our Workplace Advisory and Project Management experts will view your space and use the data gathered to prepare the written report.

HOW LONG DOES IT TAKE?

Just 48 hours from start to finish. The video tour typically takes 30 to 60 minutes.

HOW DO I GET STARTED AND WHAT IS THE COST?

The virtual tour can be scheduled upon completion of a simple Letter-of-Agreement. A standard fee of \$5,000 USD will be billed via invoice upon completion of the report.
